Muso Loudspeaker

Solo Mini

Muso Loudspeaker

Launched to worldwide acclaim, Arcam's Solo series systems have brought high-fidelity separate component performance to a new audience of style-conscious music lovers. Flexible enough to be used with other entertainment devices such as your TV or Satellite while offering wonderful conveniences such as its diminutive size and built in alarm, the Solo Mini and Muso loudspeaker combination ensures exceptional performance delivered with power, finesse, and style.

solo mini

2x25w Amplifier/CD Player/Tuner/Alarm

The Solo Mini provides premium performance in a discrete and stylish unit. An ideal partner with the Muso speakers, the Solo Mini is the perfect audio solution for the client who wants big performance in a compact package.

solo muso

100w Loudspeakers

Arcam designed the Muso loudspeakers to complement Solo systems with discreet looks and spectacular performance. The Muso's performance is far beyond the typical satellite and offers a dynamic performance that puts big box speakers to shame.
